

1. How often does a puppy go out? – It goes out three times a day (in the morning, in the afternoon and in the evening).
2. Where does it sleep? – It sleeps in a basket.
3. How many meals does it need? / How often do you feed it? – It needs three to four meals a day, but when it is one year old, one meal is enough.
4. What does it eat? – It eats meat and bones.
5. What does it do all day? – It plays with its master (eats, sleeps, goes for a walk,...)
6. Can it swim? – Yes, it can.
7. How often does it have a bath? – It has a bath when it's dirty. (We bath it when it's dirty.)
8. What does it drink? – It drinks water.
