Madonna is a very famous pop **singer**. She is an attractive **woman**, too. She is **slim** but short. She's got beautiful blue **eyes**.

Her natural hair **colour** is brown, but it has looked very different, as you can see in the **photos**. In photo 1 her hair is **long**, straight and brown. In photo 2 it is short, **straight** and blonde. In photo 3 it is **short, curly** and blonde.
